Oklahoma National Stockyards Weekly Cattle Summary							
Compared to last week: Feeder steers 1.00-2.00 lower. Feeder heifers steady to 1.00 lower. Demand moderate to good for feeder cattle and improved some later in the day. High corn prices and the bearish Cattle on Feed report from last Friday has diminished the demand. Steer calves 1.00-4.00 lower. Heifer calves 1.00-3.00 lower. Demand moderate to good for thin weaned calves, moderate at best for fleshy, un-weaned calves. Farmers also busy in the fields drilling wheat or it's on their mind and they are getting the planters ready. Quality of feeder cattle plain to average. Calf quality plain to average, few attractive. Weigh-ups average to full. Supply included 59 percent over 600 lbs; 41 percent heifers.
